Dream

Principals and Key Resource Teachers from the 6 schools involved in our ICTPD Contract plus visitors from other local Apple schools visited all our cluster schools. We spent time learning about each school's journey and new learning/actions as well as visiting a selection of classrooms. All had the opportunity to get new ideas about the use of elearning in classrooms.

#### WHAT WAS SAID ABOUT MVS

- # affirmation that staff are passionate and competent in elearning integration
- # students' engagement at a high level
- # Fantastic collaboration and partnership between TV Channel North and school
- # Pukeko Echo is a unique part of school culture
- # Passionate leadership and united staff driving this up to date leadership

#### WHAT WE WOULD LIKE TO TAKE FURTHER

- # MVS being a role model school to support all MoE elearning in the North for schools because they have the expertise, knowledge and leadership skills
- # Involving our kids +Early Childhood Centres in Pukeko Echo
- # Getting Marilyn to work with us and our students

**BRAG Statements!**      **Gorgeous classroom environments**      **Fantastic classroom teachers willing to host us**  
**Great leadership from our guides too**      **Open sharing and celebration**  
**Neat to have Tanya from CORE with us as well as non cluster members!**  
**Thanks to everyone at MVS - Marilyn Small Deputy Principal**
